PROGRAM OVERVIEW

WHAT IS THE FRUITFUL CHALLENGE?

The Fruitful Challenge is a Sunday School program designed to help us grow in Christ and engage with our word throughout the week. Through simple activities like scripture memory, discussion, quizzes, and inviting others, participants stay engaged with God’s Word beyond Sunday. The goal is to increase attendance, encourage deeper understanding of Scripture, and build stronger connections within our Sunday School community as we grow and bear fruit together.

CHALLENGES AND INFO

Each month, participants can complete different challenges to earn points and badges.

- SAY IT – Memorize and recite scripture = 1 point
- POST IT – Respond to discussion prompts = 1 point
- QUIZ IT – Complete weekly quizzes = 1 point
- BRING IT – Invite a guest to Sunday School = 1 point
- ULTIMATE CHALLENGE – Deeper study and reflection = 4 points

4 points = 1 badge

Participants can earn up to 2 badges per month

As you earn badges, you will move through growth milestones:

Seed → Branch → Tree → Fruit → Harvest

At each milestone, participants will receive rewards celebrating their growth, and the first student in each class to reach the final tier will win a \$100 gift card.

WHO IS THIS FOR?

Exclusive to M.E. Sunday School students!

The challenges are available for all age groups, with age-appropriate versions provided for younger classes and more in-depth options for older students and adults.

ADDITIONAL INFORMATION & GUIDELINES

- Please complete all challenges honestly and with integrity, including when selecting options such as “I prayed for Sunday School.”
- Some material may be challenging or unfamiliar — and that’s okay! Feel free to use helpful resources such as your Bible, classmates, teachers, deacons, or pastor to better understand the content.
- A paper copy vs. digital preference sheet will be provided before the program begins. Please choose one method per challenge period and do not switch between both to help keep the program organized.
- Be sure to read the instructions for each challenge carefully before completing it. Submission methods vary depending on the challenge, so please follow the specific instructions listed for each challenge.
- The Ultimate Challenge is designed to take more time and effort, which is why it is worth 4 points (1 badge).
- You can check your progress at any time using the Fruitful Challenge Progress Tracker on the website (or posted in the church). Please allow up to 48 hours after the challenge period ends for updates to be reflected.

PARENTS

- Parents are encouraged to support and motivate their children as they complete their challenges.
- While activities are designed to be age-appropriate and mostly independent, some children may need occasional assistance, especially with understanding instructions or submitting their work.
